Email us: -nssdypcoe@gmail.com

OBJECTIVES:-

Making India Clean, Healthier, and Increasing Awareness in society & Students about environment & Health, Woman empowerment, Personality Development of Students through Community service.

Introduction:-

D. Y. Patil College Of Engineering, Akurdi, Pune has adopted the village Hivare Kumbhar Tal- Shirur, Pune. The aim this to inculcate development strategy and cleaning awareness among the people of villages in addition to this we contributed in various ways such as Tree Plantation, Teaching, Dam Building, Cloths Donation

Strategy

All volunteers were divided into various groups and one member from each group was nominated as group leader for smooth conduct of camp activity.

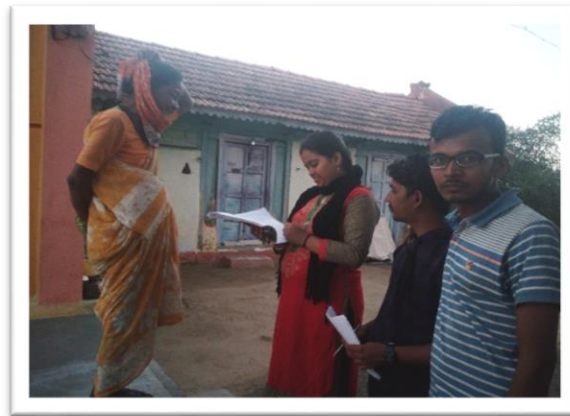

Some Glipses of Dam Building:-

On third day of camp we take survey of village for Name contact details crops in farm and aware them about government scheme and gram sabha

In this project, Volunteers divided in 8 groups of 3 volunteers each and specified them with different parts of the village. Later on all 8 groups went to door to door of each and every house of the village they managed in the time provided. During the survey different question were asked to the villagers and they energetically responded to the questions. Later on in the evening co-ordinator Jay Shete of DYP college delivered seminar and also interacted with the volunteers.

Some glimpses of Village survey:-

On fourth day of camp we organize cloth donation program for poor & needy peoples in village We help nearly 100 peoples in the form of sweaters and warm cloths. For this activity we took help of 'Sanskar Foundation' Chinchwad. At the end of session there was guest lecture for villagers on topic "Importance of Healthy diet" by Miss Chordiya Mam from DYP Medical college Pimpri. Mr. Mohan Gaikwad from Sanskar group delivers lecture on 'Social Work and Social responsibility'
